|---|--------------------|-------------------|----------------|
| ① | Elast. Verbindung  | Elastic connector | <b>JP43705</b> |
| ② | Niveauerfassung    | Level control     | <b>JP43712</b> |
| ③ | Flansch            | Flange            | <b>JP43706</b> |
| ④ | Steuerung          | Control unit      |                |
|   | compli 400         |                   | <b>JP46810</b> |
|   | compli 400 E       |                   | <b>JP48526</b> |
| ⑤ | Pumpe              | Pump              |                |
|   | compli 400         |                   | <b>JP46753</b> |
|   | compli 400 E       |                   | <b>JP46754</b> |
| ⑥ | Rückschlagklappe   | Reflux valve      | <b>JP43707</b> |
| ⑦ | Steuerungsplatine  | Control board     |                |
|   | compli 400         |                   | <b>JP46846</b> |
|   | compli 400 E       |                   | <b>JP48527</b> |
| ⑧ | Basisplatte        | Base plate        | <b>JP43711</b> |
| ⑨ | Überschiebmuffe    | Collar            | <b>JP47287</b> |
| ⑩ | Dichtband          | Sealing tape      | <b>JP47966</b> |
| ⑪ | Pumpenlüftung      | Pump ventilation  | <b>JP43710</b> |
| ⑫ | Wartungsdeckel     | Service lid       | <b>JP42798</b> |
| ⑬ | Klemmfansch        | Clamping flange   | <b>JP43708</b> |
| ⑭ | Auftriebssicherung | Anti floating     | <b>JP43709</b> |
| ⑮ | Steckdichtung      | Plug in seal      | <b>JP45099</b> |
| ⑯ | Behälter           | Tank              | <b>JP44859</b> |

|                    |                  |                |
|--------------------|------------------|----------------|
| ① Leitung          | Cable            |                |
| compli 400         |                  | <b>JP43717</b> |
| compli 400 E       |                  | <b>JP43721</b> |
| ② Stator + Gehäuse | Stator + Housing |                |
| compli 400         |                  | <b>JP43718</b> |
| compli 400 E       |                  | <b>JP43722</b> |
| ③ Rotorwelle       | Rotor shaft      |                |
| compli 400         |                  | <b>JP46761</b> |
| compli 400 E       |                  | <b>JP46801</b> |
| ④ Motorabdichtung  | Motor seals      | <b>JP46806</b> |
| ⑤ Laufschraube     | Impeller screw   | <b>JP46803</b> |
| ⑥ Lagersatz        | Bearing set      | <b>JP46724</b> |
| ⑦ Lagerschild      | Bearing housing  | <b>JP43720</b> |
| ⑧ Dichtungssatz    | Seal set         | <b>JP46807</b> |
| ⑨ Laufwerk         | Impeller         | <b>JP47290</b> |
| ⑩ Schraubensatz    | Screw set        | <b>JP47291</b> |
